Subject: Fortnightly Highlightlies, Vol. 7

This is an abbreviated FH because I haven't had many of the usual biweekly meetings due to summer vacations and other absences.

George

- Evaluating Chicago SH Bell monitoring data
- Planning agenda for 11/1-2 Air Toxics state meeting.

Dawid

- Collaborating with Kalamazoo on development of a healthy homes workshop on 10/7, featuring EPA-supplied lead test kits.
- Evaluating commercial printer sector in Kalamazoo.

Suzanne

- Completed analysis of ECATT data, focusing on potential synthetic minors, in IN, IL and MI; based on results, will continue ECATT analysis without particular focus on synthetic minors.
- Preparing to review manganese emissions data to identify potential causes of high monitored values.

Margaret

- Processing negative declarations received from Indiana and Minnesota.
- Preparing for 8/22 meeting with Practice Greenhealth to discuss EtO risks and alternatives.

-

Alexis Cain
